Federico Montero

React Developer | Musician

Personal Profile

My name is Federico Montero, I am 37 years old, and I live with my partner and daughter in Montevideo, Uruguay. Music has been my primary activity throughout my life until 2021 when I made the decision to radically change my career path and venture into the IT field as a programmer.

I consider myself a patient person; I always seek to understand how things work, and I have a passion for cars.
